

Activating the B444-C

NOTICE!

The B444-C communicator must be activated and have a valid cellular plan for proper usage.

The activation process assigns a phone number, IP address, and a data plan to the communicator. Activation occurs using one of three methods:

1. Using the cellular activation tools in RPS.
2. By submitting a support ticket in the Bosch Cellular Portal email at: installer.services@us.bosch.com.
3. Calling Bosch Installer Services (800-289-0096). Please provide the IMEI and ICCID numbers found on the box or on the communicator for activation.

****A valid Bosch Installer Services account is required for activation.**
