

Learn Mode Slim Line Door and Window Sensors

www.boschsecurity.com

BOSCH
Invented for life

- ▶ Flat design
- ▶ Fits in most small areas
- ▶ Replaceable battery

The Learn Mode Slim Line Door and Window Sensors include a white model and a brown model. Each model is narrow and suitable to use on doors, windows, jewelry cases, gun cabinets and anything that opens and closes.

Functions

Learn Mode Technology

Each device has a unique, programmed identity. Control panels recognize and learn the identity of each device in the system, eliminating programming errors in the field.

Installation/configuration notes

Compatibility Information

Receivers: RF3226 Quik Bridge Receiver
Quik Bridge Learn Mode Loop Receiver
(P/N: 60-660-01-95R)

Expanders:
: D208RF Receiver Expander
D216RF Receiver Expander
